MADE BY HAND, LOCALLY

Choose your wood & stain

Our tables are available in a variety of domestic hardwoods: cherry, maple, walnut, quarter-sawn white oak, red oak, and hickory. Rustic, “character” and “wormy” options are also available. We offer a full range of stain colors. Visit our website for an interactive stain chart.

Choose your size

Many of our tables are available in multiple sizes. See price lists in this catalog for information about available sizes. If the size you need is not listed, no problem! We can customize most styles to just about any size. Contact us for a quote.

User-friendly finish

Our tables are finished with a conversion varnish that is water- and stain-resistant, and requires no polishing or waxing. You do, however, need to protect it from scratches and heat. On request, we also offer oil, wax, paint, and lacquer finishes. To clean, simply wipe with a soft cloth, dry or damp, in the direction of the grain.

Our guarantee

Our furniture is designed and crafted to last for generations. We are confident in the quality of our wood products. Therefore, our warranty covers defects in workmanship and materials for two years. If a defect is found during that period, we will determine whether to repair or replace the item. If repair is deemed the best solution, Center of the World will determine whether the piece should be returned to our shop or another for repairs. Wood is a natural product that reacts to changes in humidity by expanding or contracting. If the environment is not controlled, seasonal gapping or minor checks can occur, and should be appreciated as a natural characteristic of solid wood. Indoor humidity levels in the range of 35-45% will minimize this. If furniture develops deep cracks, and humidity in the home is controlled, the item will be repaired at no cost. Customers should inspect furniture upon receipt and refuse delivery if a defect is discovered. If a defect is discovered later in the warranty period, the customer should return the piece for repair or replacement. Upon completion of the repair, Center of the World will return the item, at no expense to the customer.

Our commitment to the environment

We use sustainably harvested, local hardwoods, which have been endorsed by the USDA as a preferred green building material. Every year, we give away enough hardwood saplings to replace all of the wood used in our shop. We have been certified as a Green America Approved Business.

Our commitment to the community

Center of the World Woodshop has an active role in the community — we sponsor, support and organize numerous fund-raising events to support New Troy's Community Center, providing hundreds of staff hours and leadership every year since its inception.

Don't see what you want?

Let us design a table for you.

Terry Hanover has been designing custom furniture since 1976. Contact us to arrange an appointment (in person or by phone) to discuss your ideas and needs with him. Within a few days, you'll receive a design and quote. A shop drawing (provided after we receive your deposit) gives you an opportunity to approve all the details before your table goes into production.

Design fee \$75, payable in advance

Ready to place an order?

A 50% deposit will get us started on your order, with the balance due on completion. Our turnaround is about 12 weeks, not including delivery.

Blanket-Wrapped* Shipping

We personally deliver to locations within a 100-mile radius of our southwest Michigan shop. For most other destinations within the continental United States, we contract with Ukay Furniture Delivery. Ukay trucks pass through our region every 2-3 weeks; time to delivery is 2-5 weeks (Montana, Wyoming, N. & S. Dakota, Nebraska, and Iowa are serviced less frequently). Delivery fees are determined by Ukay based on distance, value, and size of the shipment. When Ukay handles a delivery, our customers pay exactly what Ukay charges us. We do not profit from deliveries.

*Deliveries to Hawaii or Alaska must be crated.
